ANSAARIS HOUSE OF CONSTRUCTION LLC

ELECTRICAL CONTRACTING | GENERAL CONTRACTING

Veteran Owned & Operated | Established 2009

CAPABILITY STATEMENT

COMPANY OVERVIEW

Ansaaris House of Construction LLC (AHOC) is an owner-operated firm providing residential and commercial electrical services, general contracting, renovations, and maintenance throughout Maryland and Washington, DC. AHOC combines licensed electrical leadership with construction experience, clear communication, and safe project execution.

CORE CAPABILITIES

ELECTRICAL CONTRACTING
Electrical installation, troubleshooting & repair
Panel and service replacements & upgrades
Power distribution, feeders & branch circuits
Grounding, bonding & corrective work
Lighting installation & electrical maintenance

GENERAL CONTRACTING
Kitchen, bathroom & basement renovations
Residential & commercial interior improvements
Repair, restoration & property maintenance
Finish work & integrated lighting features
Project coordination & subcontractor oversight

LEADERSHIP & FEDERAL GOVERNMENT EXPERIENCE

Owner Siddiq Abdul-Khabir brings more than 20 years of industry experience, Maryland and District of Columbia Master Electrician licenses, and Maryland Home Improvement Contractor credentials. He served eight years in the U.S. Air Force Reserve, attaining the **7-Level Aircraft Maintenance Craftsman qualification**. He supervised and trained junior 3-level mechanics and provided task-specific technical supervision of 5-level journeyman mechanics during operations requiring 7-level oversight.

He also served six years as a U.S. Department of Defense civilian aircraft mechanic, **concurrently with his Reserve service**. This background supports technical proficiency, personnel development, task-level supervision, safety awareness, and familiarity with federally regulated maintenance environments. This is the owner's experience; it does not represent AHOC federal contract past performance.

REPRESENTATIVE PROJECT EXPERIENCE

Electrical: Residential service replacements and panel upgrades; church project within an existing 600A distribution system feeding eight panels. AHOC's scope included replacing one panel and its associated conduit/feeders, troubleshooting, and corrections.
General contracting: Kitchen renovations in Prince George's County, MD; bathroom renovation in Reston, VA; custom entertainment bar construction and electrical/LED lighting in Prince George's County, MD.
